Dear Catherine,

Gucci's records show that Ms. Matthews electronically signed the mutual arbitration agreement in connection with the commencement of her employment. At the same time Ms. Matthews completed and/or acknowledged 11 other new hire documents, including her W-4 and direct deposit form.

Best,
Robyn

Hi Catherine.

I'm in receipt of your email. Gucci maintains that Madison's signature to the document is authentic. I am familiarizing myself with the technical details and will revert back after I've had the chance to do so.

Best,
Robyn

Robyn,

My client has reason to question the authenticity of that electronic signature. Do you have anything to further authenticate what is purported to be my client's e-signature?

Thank You,

Catherine Smith, Esq.
